It is understood that it is the Tenant's own responsibility to acquire the tools, equipment or any related material for fulfilling the Tenant's own obligations. Any bill, ordinance violation fee (e.g. failure to remove snow in a timely manner) or related charges arising from one of the above obligations should solely be the responsibility of the obligated party as above specified. The Landlord has the right to temporarily turn off any utility or other service to the Leased Premises to make repairs or do maintenance.

**Parking: There is NO parking included in the rent.**

Eminent Domain is the legal name for the right of the government such as the state, county or city to take private property for public use. The government must pay fair compensation to anyone who has any right in the property that is taken by the government. If all or any part of the Leased Premises or the building within which the Leased Premises is located is taken by eminent domain, this lease will end automatically. Landlord and Tenant agree to release each other from any responsibility because Leased Premises are taken by eminent domain and the lease has ended.

**19.) When Tenant Breaks Any Agreements in the Lease**

- When Tenant does not do something that Tenant has agreed to do under the provisions of this Lease and any further agreements referenced herein, the Tenant breaks ("breaches") this Lease.
- If Tenant breaks this Lease, Tenant may lose Tenant's Security Deposit

**Tenant Breaks This Lease If Tenant:**

- Vacates the Leased Premises for good without the Landlord's permission before the end of the lease.
- Does not vacate the Leased Premises at the end of the Lease Term.
- Does not do all of the things that the Tenant agreed to do in this Lease.

This is a **Joint and Several** lease. It means that all the Tenants as a group and each of the Tenants as an individual are responsible to the Landlord for all of the agreements of this lease. For example, if the rent is not paid, the Landlord can sue **all** the Tenant's (**Jointly**) for any unpaid rent. Or, Landlord can sue any **one** Tenant separately (**Severally**) for all the unpaid rent.

If Tenant breaks this lease, Tenant agrees to give up the right to have a Notice to Leave, also known as a **Notice to Quit**. This means that the Landlord may file a lawsuit in court asking for a court order evicting Tenant from the Leased Premises without first giving Tenant **Notice to Quit**. The Landlord can only evict Tenant by court order.

The Landlord does not have the right to sue in court for eviction unless Tenant has broken the agreements in this lease. Even though Tenant is waiving the right to Notice **to Quit**, Tenant will have notice of any eviction proceeding and any opportunity to be heard in court and to have a judge decide the Landlord's claim for eviction.

**Tenants to initial above own name:**

- To evict Tenant and regain possession of the Leased Premises.

If Landlord succeeds in any lawsuit against Tenant, Landlord can use the court process to take possession of Tenant's personal property, goods, furniture, motor vehicles, and money in banks. Tenant agrees that, if successful, Landlord may receive reasonable attorney's fees as part of a court order in a lawsuit against Tenant for breach, in whole or in part, of the agreements set forth in this Lease and any agreements incorporated herein.

**20.) Other Agreements between Landlord and Tenant**

## State College Borough Point System for Nuisance Properties

Please be advised that State College Borough has amended their Property Maintenance Code to **"Identify and resolve neighborhood nuisance problems arising from repeated violations of laws and ordinances."** The system in place uses a point system to track violations. Each violation carries a different point total, determined by the severity of the violation. When a property reaches a total of 5 points in a 12-month period, the Borough takes action against the landlord and requests that the landlord take action against the tenants. When the point total reaches 10 points in a 12-month period, **the Borough automatically revokes the rental permit on the property and the premises must be vacated for a period of 6 months.** The Landlord will assess a fee to the tenant of **\$500 for each point violation** received against the property that is the fault of the tenant. If the tenant continues to accumulate points against the property and puts the Landlords rental permit in jeopardy, legal action will be taken against all tenants of the property to reimburse the Landlord for any lost rental income and any and all fees associated with the violation. The Landlord takes this ordinance very seriously, you should as well. Below is a list of the violations and the points associated with them.

**1 point violations:**

Trash in the yard or on the porch (It is your responsibility to keep the trash picked up, even if it isn't yours). Open burning. Indoor furniture outdoors. Cigarette butts discarded in the yard or on the porch (It is your responsibility to keep the butts picked up, even if they aren't yours). Recycling bins overflowing. Dog waste in the yard (fyi- no pets are allowed)

**2 point violations:**

Disorderly conduct including noise and loud music. Drugs. Simple assault. Harassment. Disabling smoke detectors. Over occupancy. Open lewdness. Indecent exposure – includes public urination

**3 point violations:**

Furnishing alcohol to a minor. Aggravated assault. Statutory sexual assault. Involuntary deviate sexual intercourse. Sexual assault. Rape. Aggravated indecent assault. Possession with intent to deliver controlled substances or look alike substances.

This list is provided to you as an information source and a guideline on how you should live in your new home. It is not an attempt to prevent you from having fun and enjoying yourself. If you have a porch at your residence, please remember that use of the porch and the surrounding grounds is a privilege. Please be sure to keep all exterior areas clear of any party remains. This is the most commonly levied point violation and is very easy to prevent. If it is getting late into the evening, please bring your party indoors. Be aware that all homes in State College are not rented to students. The house that you live in is designated a "Student Home" by the State College Zoning Office and your neighbors may or may not be students. Please make an effort to be considerate of your neighbors; especially those who are not students. A kind gesture or offer to help will go a long way in keeping goodwill between you, your neighbors and the State College Borough employees. This is only a summary of the point system. Persons interested in the entire ordinance that has the permit suspension information can find a link to it on our website at [www.psuhouses.com](http://www.psuhouses.com) Thank you for your cooperation.

## Rules and Regulations

The following Rules and Regulations are part of the Lease Agreement between Landlord and Tenant. As set out in Section 12 of the Lease Agreement, violation or breach of any of the Rules and Regulations is a breach of the terms and conditions of the Lease Agreement and the non-breaching party shall be entitled to exercise any or all the remedies provided in the Lease Agreement.

**Rule 1.** The rent must be paid to the Landlord with **ONE** check or money order.

**Rule 2.** It is agreed by Tenant and Landlord that the total rent amount over the lease term is divided into equal monthly payments although some months have fewer days than others. Tenant shall pay the first partial rent payment and the last partial rent payment by the first of the month prior to the commencement date, regardless of the actual commencement date of the lease. No keys will be issued to the Tenant until the first rent payment has been received.

**Rule 3.** Rent is due on the **1<sup>st</sup> of the month**. If the first of the month falls on a Sunday or holiday, then the due date will be extended to the following business day. If the rent is not paid by the 5<sup>th</sup> of each month, a late charge of \$5.00 per day retroactive to the first of the month will be assessed. If there is any unpaid balance on Tenant account, it will be deducted from Tenant's most recent rental payment and any deficient amount in the rent will be considered late with the fee accruing to the 1<sup>st</sup> day of the month. Tenant understands that the premises is committed and leased to Tenant for the whole lease term and agrees to pay the full rent regardless when Tenant possess or returns the keys for the premises.

**Rule 4.** If Tenant shall occupy the leased premises prior to the beginning of the term, such occupancy shall be subject to the terms of this lease. Rent shall be paid for the same period from the date of such occupancy to the beginning of said term. If Tenant occupies the premises beyond the ending date of the lease agreement, a **\$200 per day** holdover fee will be levied against Tenant for each day or part of day beyond the ending date.

**Rule 5.** The security deposit shall be retained by the Landlord and administered in accordance with all applicable statutory requirements as security for Tenant's faithful performance of all lease terms, covenants and conditions. On the second (2<sup>nd</sup>) anniversary, the deposit, if it exceeds \$100, will be deposited in an interest-bearing account. One percent (1%) of the interest will be retained by the Landlord for bookkeeping. The balance of the interest will be paid to the Tenant, as required by Pennsylvania Law. The check will be made payable to all persons signing this lease and mailed to a forwarding address which must be furnished by Tenant in writing.

**Rule 6.** A **\$50.00 service fee** will be charged on all checks returned due to insufficient funds or for any other reason. Returned checks **will not be re-deposited, unless done automatically by the bank**. Tenant must cover the returned check with cash, money order or certified check. Late charges will continue to accrue, retroactive to the 1<sup>st</sup> of the month until the rent is paid in full.

**Rule 7.** All maintenance or utility charges of Tenant must be paid or notice of any disputed charges must be delivered to Landlord prior to Landlord specified due date (usually within 10 days of the statement date). Any late payments will result in a charge to the Tenant of \$5.00 per day from the due date.

**Rule 8. The subleasing fee is \$100** per sublet agreement and is charged to the original Tenant. Before subletter moves in, Tenant must obtain the Landlord's permission, fill out the subleasing form and pay the subleasing fee. Landlord does not have a legal relationship with the subletter. Tenant needs to pay the rent directly to the Landlord and still needs to fulfill the obligations required on the lease during the lease term whether Tenant resides in the leased premises or not. Tenant must review the lease with the subletter. Charges incurred by the subletter are the Tenant's responsibility.

**Rule 9.** All furniture shall always remain in the unit and shall not be moved outdoors at any time. Inside furniture on a porch or balcony is a major fire hazard and is forbidden by local code. All inside furniture found outside will be immediately removed at the expense of the Tenant. Tenant shall not alter any part of the leased premises, equipment or fixtures, physically or cosmetically, by any means, such as painting, removing doors, storm windows, screens, or fixtures from their original location. Any alternations shall be considered a violation of this rule, and Landlord reserves the right to restore the premises to its original condition at Tenant's expense.

**Rule 10.** Your unit may be equipped with sprinkler heads. Regulations do not enable multiple shut-off valves on the system. If one of the heads is activated, 15 gallons of water per minute will flow from the sprinkler. Please be extremely careful with heating devices or open flames in the area of the sprinkler heads. If the sprinkler system goes off due to tampering with the system, the Tenants will be held responsible for all damage. Landlord or the Fire Department must be called immediately to shut off the system. Tampering with a fire alarm apparatus is in violation of the criminal statutes. Violation of this law may result in a fee and imprisonment.

**Tenants to initial above own name:**

Betsy Miller, Jill Kelly, Jennifer Kale, Wendy Kenworthy,

**Rule 11.** If Tenant is unable to pay the full rent, Landlord has the right, but is not obligated, to put an additional person into the leased premises to compensate for the deficient amount. Tenant agrees to vacate a bedroom for him/her and Landlord will not be held responsible for any of his/her behaviors or acts. This agreement can be extended and applied to additional persons added to the leased premises until the deficient rent is paid in full.

**Rule 12.** Tenant shall be responsible for testing all fire warning devices such as smoke detectors and fire alarms within the Leased premises monthly and shall notify the Landlord if any device is not functional. Tenant is responsible for replacing batteries as needed. Tenant shall not disable, or permit to be disabled, any fire warning device or discharge any fire extinguisher except in case of a fire. Tenant is responsible for the malfunction of smoke detectors whether because of weak, defective, or inoperable batteries or otherwise. Tenant shall also be responsible for care and maintenance of fire extinguisher. All fire extinguishers will be charged by Landlord and must remain charged during tenancy and upon vacating by Tenant. If the fire extinguisher is discharged, Tenant must notify Landlord to recharge it. The cost of recharging or the replacement of the extinguisher will be billed to all Tenants of the unit. All fires must be reported to Landlord. Should Landlord find a disarmed or damaged smoke detector or discharged fire extinguisher, Landlord will notify the Centre Region Code Enforcement Officer and Tenant could be assessed a fee by that Government agency.

**Rule 13.** Tenant agrees to only use the light bulbs not exceeding the maximum wattage allowed by the fixture for fire safety, and not to use touchier floor lamp with halogen light bulb in the premises.

**Rule 14.** Tenant is financially responsible for fires and damages caused by the negligence of Tenant or his/her guests. Tenant shall become familiar with and observe all posted security regulations and all posted fire escape of evacuation routes and all fire exits. Questions concerning security and fire procedures should be directed to Landlord without delay. Tenant understands that faulty wiring is one of the major fire hazards and Tenant agrees not to use any reconnected wires, aged wires or conductors for any electric device.

**Rule 15. NO PETS OF ANY KIND SHALL BE CARRIED OR KEPT IN OR ABOUT THE LEASED PREMISES.** If Tenant keeps or permits to be kept any said pet on the premises, then said Tenant agrees to pay to Landlord the sum of **\$25.00** for each day or part of day that each pet remains on the premises plus pet-associated treatment costs no matter who is the owner of the animal. The Tenant further agrees that Landlord shall have the sole and exclusive right to determine if the premises need to be exterminated upon finding a pet of any kind on the premises.

**Rule 16.** If the premises are not cleaned when Tenant takes possession, Tenant shall call Landlord within 48 hours of the move-in date for call-back cleaning service. Landlord will not reimburse Tenant for cleaning if it is done by Tenant, while Tenant shall still be responsible for leaving the apartment cleaned on vacating the premises.

**Rule 17.** Tenant is responsible for providing appropriate non flammable containers for trash and shall keep the premises in good state of preservation and cleanliness. No articles shall be hung from the windows or placed upon the windowsills or balconies or common areas. Trash cans and recycle bins have to be kept indoors, on the porch or in hidden areas, and must be taken out to the curbside no earlier than the night before the refuse pickup day and taken back no later than the night of the pickup day. All recyclable glass, metal, paper or plastic contains, such as bottles, cans, cups, plates and boxes, must be sorted and placed in recycle bins. Refuse shall be placed in garbage cans or in the dumpsters. Cigarette butts must be placed in a non-combustible container or ashtray. Please break boxes down before discarding or recycling.

**Rule 18.** Landlord has the right to treat and correct any cleaning, refuse, recycling or littering item violation said above at a cost to Tenant of \$30.00 per hour (with a \$15.00 minimum charge) plus material costs at any time and at Landlord's sole discretion. Notwithstanding Landlord's action, Tenant is solely responsible for keeping the premises clean and free from littering and animal feces left by anybody except Landlord and Landlord's associates, whether or not he/she is Tenant, and responsible for any violation fee issued by the local authority related to littering, animal feces or improper refuse and recycled matter disposal.

**Rule 19.** Tenant shall not add, remove, alter, or change any locks. There shall be a **\$100.00** charge to Tenant for each occurrence. **Absolutely no hasp** shall be installed on any door under any circumstances as **it is forbidden by local code ordinance**. Tenant shall be charged **\$100.00** for each such violation. Landlord can install a deadbolt lock upon Tenant's request for a fee of \$50 plus the actual cost of parts and labor to install. The lock installation request can be given to Landlord any month other than July - September.

**Rule 20.** A minimum **\$100.00** per lock (cost of mailbox lock or special locks may vary significantly) will be charged if not all keys are returned or mailed out to the Landlord by the Lease termination date. The same charge shall be applied to the loss of any key, which shall necessitate the change of any lock. If Tenant experiences troubles with keys, Tenant should report to Landlord immediately. The light bulbs in the porches, balconies, entrances, hallways or common areas shared by other units in the same building are Landlord's property for safety purposes.

They shall not be removed, replaced, or changed to different types or colors by Tenant. Tenant shall call Landlord for replacement when necessary. In many apartment units, mini fluorescent light bulbs have been used. Tenant agrees not to remove any such bulbs or replace them with incandescent bulbs or a different type of bulbs. Tenant will be charged **\$25.00** plus labor and material for each violation or occurrence of this rule.

## CHECK-OUT PROCEDURE

This Check-out Procedure will be sent to Tenant by either mail or email to any one of the Tenant members approximately three weeks before the lease termination date. Tenant agrees to follow the instructions therein to have a smooth move-out process.

**C1.** Notify Landlord in advance of your exact moving date. Provide a forwarding address in writing for the contact person in your group. Landlord will only send one check with all Tenants' names, unless all Tenants write an authorization for Landlord to pay the check only to one person. Return all keys (including mailbox keys) to the Landlord when you vacate the premises or leave the keys in the rental unit. A **\$100.00** charge per lock (cost of mailbox lock or special locks may vary significantly) will be levied if all keys are not returned to the Landlord by the lease ending date.

**C2.** All floors must be cleaned free of spots. Hardwood or tile floors must be cleaned and waxed. Windows must be washed on the inside. If Tenant fails to clean the apartment, Landlord will hire a local professional to do the work and charge Tenant the professional's fee. Carpeting will be professionally steam-cleaned through a contractor approved by Landlord, and the cost will be deducted from the security deposit.

**C3.** All furniture must be clean (vacuumed, dusted and polished), all draperies must be dry-cleaned, and blinds must be cleaned, if the furniture, draperies, and blinds are provided by Landlord. The receipt for dry-cleaning must be submitted to Landlord. All light fixtures, light switches, doors, and radiators must be cleaned. Smoke detectors and fire extinguishers must be in working condition. All light bulbs must be working, and all globes cleaned.

**C4.** Kitchen appliances, cupboards, and counter must be cleaned. Stove, microwave, refrigerator, freezer, dishwasher, windows, and exhaust fan must be thoroughly cleaned. **DO NOT turn off or unplug refrigerator.** Simply turn to warmest setting after defrosting and cleaning. Remove all personal effects, food and trash. Exterior of the Leased Premises must be clean and free of debris and lawn must be mowed and/or sidewalks free of snow and ice, if this applies to your lease.

**C5.** If the leased premises are heated with oil or propane, and Tenant pays for heat and heating fuel. The oil tank shall be filled at the beginning of the lease term by Landlord. Tenant shall be responsible for filling the tank at the end of the Lease term.

**C6.** All wood work and trim around windows, doors and floors must be washed thoroughly. Bathtub or shower, sink, toilet, medicine chest, and ventilation fan must be clean. Do not patch up nail holes yourselves without Landlord's permission. Charges may be incurred by failing to obtain Landlord's permission. Dirt and other marks on walls that were painted at move-in are not considered normal wear and tear, therefore Tenant will be charged for painting.

**C7.** Tenant will be charged an account handling fee of \$50.00 per account if: **a)** Tenant fails to notify the Telephone Company and TV cable company about the date of disconnecting service; **b)** Tenant fails to have final meter read on electricity, and/or gas, if applicable, at the lease termination or fails to inform the utility companies about your forwarding address; **c)** Tenant fails to pay all applicable utility charges up to the final day of the lease agreement; **d)** Tenant closes utility account(s) before the lease ending date. For any utility bill that Tenant is responsible for must remain under Tenant's name until the exact lease expiration date. At no times during the lease should any utilities be disconnected.

**C8.** Before Tenant moves in, all rental units are professionally cleaned with a call-back service. The cleaning people will come back for any unclean areas found by Tenant within 48 hours after move-in. It is expected that the rental unit will be cleaned to professional standards when Tenant moves out. **In case the move-out cleaning does not meet professional standards, Landlord reserves the right to hire professionals to re-clean the premises at Tenant's cost.**

**C9.** Charges will be made against your security deposit if the above procedures are not followed. Also, all damages beyond normal wear and tear will be deducted from your security deposit.

**C10.** If property belonging to other people, businesses, organizations, or the municipality, such as street signs, are found in the premises, Tenant will be charged the cost for returning these properties to the owner(s).

**Tenants to initial above own name:**

Betsy Miller, Jill Kelly, Jennifer Kale, Wendy Kenworthy,

Tenant agrees that if any member of the Tenant does not provide the parental guarantee within the designated time specified on the parental guarantee (normally within 10 days after Tenant signs the lease), the rest of the Tenant will be responsible for replacement of this person. When Tenant needs to add or replace one or more roommates, the new roommate must be credit-checked and approved by Landlord. Landlord, however, will not unreasonably reject an applicant. If the replacement is completed before August 1 of the lease starting year, the leaving member(s) can be released from the lease. Otherwise, these leaving members will remain in the lease and replacing members will sublease from these leaving members. Tenant understands that, whether or not the new roommate(s) can be found, pass the credit check and be approved by Landlord, Tenant is entirely responsible for all the financial obligations specified on the lease. When additional applicant(s) is (are) going to join the joint group or replace some applicant(s) after the lease is signed, a **\$100.00** alteration fee will be needed for each alteration regardless of the number of applications (or applicants) on top of other charges.

**BY SIGNING THIS LEASE AGREEMENT, TENANT AGREES THAT THE TENANT HAS READ AND UNDERSTOOD ALL OF THE AGREEMENTS IN THIS LEASE. EVERY UNDERSIGNED PARTY ACKNOWLEDGES RECEIPT OF ONE ORIGINALLY SIGNED LEASE.**
